

Remote Financial Accountant

(Work with NZ Clients from the Philippines)

Join a supportive New Zealand team from the comfort of your home!

We are a growing New Zealand–based accounting practice looking for a skilled Financial Accountant in the Philippines to support our expanding client base. This is a remote role working with NZ businesses, with opportunities to grow your technical skills—especially in New Zealand tax legislation.

What We're Looking For

- Proven experience as a Financial Accountant or similar role
- Strong Xero experience (non-negotiable)
- Solid understanding of accounting principles and preparing financial statements
- Experience with NZ tax legislation is an advantage (training provided for the right person)
- Excellent English communication skills
- Strong attention to detail and professional work ethic
- Ability to work independently and meet deadlines
- Willingness to align with New Zealand business hours to actively join team meetings, respond promptly to client queries, and collaborate seamlessly in real time.

Key Responsibilities

- Prepare financial statements, management reports, and reconciliations
- Process GST, PAYE, and support tax-related filings (NZ training available)
- Manage Xero ledger coding, month-end tasks, and cleanups
- Support clients with financial queries and ensure accurate information is maintained
- Assist with year-end workpapers and audit support
- Collaborate with our NZ team to deliver high-quality service
- Contribute to improving internal processes and client solutions

Why You'll Love Working With Us

At KREA, we're more than accountants—we're your strategic partner. Here's what you can expect:

- Empowering team culture: Be part of a supportive, caring team that values collaboration, growth, and practical wisdom.
- Impactful work: Help NZ business leaders gain financial clarity, make informed decisions, and grow their businesses confidently.
- Professional development: Learn New Zealand accounting standards, tax legislation, and advisory skills.
- Long-term growth: Work with a company that invests in its people and believes in building strong foundations for generational success.
- Meaningful contribution: Your work will directly help clients move forward with clarity, confidence, and purpose.
- Equipment supplied: We supply the equipment

How to Apply

Send your CV and a short introduction about your experience (especially with Xero) to leah@krea.co.nz bonus points for sharing examples of NZ or AU files you've handled—or telling us why you want to work in NZ accounting!

We will close applications on 12/12/2025, 5pm.
